

ALPHARETTA YOUTH SOFTBALL ASSOCIATION

Sponsorship Opportunities

AYSA is currently looking for local businesses to sponsor our park and our girls and we thought you would be a great addition! Join us in supporting your local young women as they build skills, relationships and confidence that they will carry with them forever!

Who is AYSA and what do we do?

AYSA is the Alpharetta Youth Softball Association. We strive to provide a quality softball program for the girls in Alpharetta and the surrounding areas. The objectives of the program are to:

- Develop playing skills for all players
- Teach sportsmanship
- Promote physical fitness and safety
- Contribute to the quality of life to the City of Alpharetta and the surrounding areas by ensuring access to team sports for girls ages 4 to 18

What does it mean to be an AYSA sponsor?

As an AYSA sponsor you will have a 4x6 banner that we will proudly display for our visitors to see as soon as they enter our park.

Your donation to the park will be used for umpire fees, park maintenance, tournament fees, and scholarships!

How much does it cost to be a sponsor?

Only \$500 a year if you provide your own banner or we can have one made for you using your logo for a one time additional charge of \$100

Please contact Shannon Gill at Shannongill90@gmail.com or 770-655-6622 to talk more about how you can become a sponsor
